Belong Diversity text	Diversity texts: The Rapping Princess	Diversity texts: The Jasmine Sneeze	Diversity texts: Amazing Grace	Diversity texts: Isaac and his amazing Asperger superpowers	Diversity texts: World of Football (near sports day)	Diversity texts: Shu Lin's Grandpa	Revisit <i>The colour monster to talk about feelings</i>

PSED	Children understand how story characters feel when faced with a problem. Children can explain how problems can be overcome.	Children listen to other children and adults and show respect. Children share resources with peers.	Children give praise to others when they have achieved. Children express how they feel at certain times and can explain why they feel like this.	Children follow instructions given by an adult. Children start to understand empathy.	Children know that they need to brush their teeth twice a day for two minutes. Children know that they need to visit the dentist regularly. Children follow hygiene procedures in school independently. Children can explain why and how they look after their teeth.	Children explain their own knowledge and understanding and ask appropriate questions of others.	Children can work in a group to solve problems and apply different strategies.

Computing –	Scenario: Your friend shares their password with you and asks you to share yours with them. What do you do? Discuss with your talk partner.	Scenario: A scary picture pops up on your screen. You're not sure what it is. You're feeling worried that if you tell someone, you might get into trouble. What should you do? Discuss with your talk partner.	Scenario: Someone called Sally pops up online and starts talking to you. She is asking lots of interesting questions about you. Where do you live? What is your favourite food? How old are you? What do you do? Discuss with your talk partner.	Scenario: Your friends are telling you about their favourite app they like to play called FunBlox. You're really excited to play. Your adults are downstairs, and they have asked you to always ask them before downloading a new app. But you're really excited and don't want to wait! What do you do? Discuss with your talk partner.	Scenario: You're reading all about animals online to find out more about rhinos. It says here that rhinos live in the ocean and you suddenly worry that it might not be telling the truth. What do you do? Discuss with your talk partner.	Scenario: You're playing FunBlox with your friend and the app is asking you to buy a gold Lego brick to continue building your house. Your friend is telling you to do it. What should you do? Discuss with your talk partner.	Scenario: You're watching a film online at your friend's house. You're enjoying it but then it starts to get a bit scary. You're getting worried that the film is a bit too scary for you and is only for adults. What do you do? Discuss with your talk partner.
